

Building Owner Fuel Data Authorization

VERMONT WEATHERIZATION ASSISTANCE PROGRAM • 3E THERMAL

To the Building Owner: The Weatherization Assistance Program (WAP) and/or 3E needs fuel history on your building(s) in order to provide accurate analysis and savings estimates. Please provide the information indicated below:

PHYSICAL ADDRESS & TOWN OF CUSTOMER'S BUILDING(S)

FUELS other than Electric

This form authorizes WAP and/or 3E Thermal to access usage records from your fuel dealer.

"I hereby authorize my Fuel Company to release up to four (4) years' fuel usage history for my account at the building listed below. If I proceed with work, I further authorize my Fuel Company to release such data for a period of five (5) years after the date below."

ELECTRIC

Through a contractual relationship with Efficiency Vermont to ensure confidentiality, WAP and 3E can access electrical usage records (but *not* costs or payment information) directly from Efficiency Vermont. By providing at least one electric utility account number for each building in this project, you will save us time and improve the accuracy of our energy audit.
